

Warner Christian Academy “Velvet Blues” Code of Conduct

1. I will remember that wherever I go, whatever I do, whomever I am with that I represent Warner Christian Academy, the “Velvet Blues”, and the LORD JESUS CHRIST. My behavior will be above reproach.
2. I will immediately and without question follow any instructions given to me by the director or the person appointed by the director. This includes Band Parents, Chaperones and Band Officers.
3. At All times I will show the utmost respect and courtesy to the director, chaperones and any other adults present. Disrespect and vulgarity in any and all conversations will not be tolerated.
4. I will be kind and considerate to my fellow band members. I will offer my assistance to any band member who needs it regardless of what grade they are in.
5. I will hold my fellow band members in high regard. My conversations and comments will build up rather than tear down another person’s character.
6. While traveling by bus, I will remain seated and refrain from throwing things, yelling or talking loudly and chewing gum at all times. I will make it my concern to keep my area on the bus clean.
7. I will respect the properties of others, including their instrument.
8. I will show the utmost care for my uniform. I will keep all parts of the uniform with me at all times and will not wear my uniform in a way it should not be worn.
9. All school rules and policies will apply at all band functions. No cell phones or iPods unless given permission by the director.
10. Boys and girls will show proper respect to members of the opposite sex.
11. No food or drinks other than water are allowed in the band stands at all footballs games unless given specific permission by the band director.

Failure to follow the above will result in consequences deemed necessary by the director or other band staff. Penalties will vary. Chaperones and band members alike are to report any serious infractions to the band director at once.
