

XI. BAND PARENT ASSOCIATION

This organization is the main resource for the expenses of providing the equipment, uniforms, music, additional instructors and needs of the band. In order for the band program to be as successful as possible and for your child to achieve the maximum benefit of this program, parents of every band student are needed to help with the projects that raise money for this program. Help is also needed with equipment, uniforms, chaperones, etc. There are several committees to choose from and a general list is provided at the bottom of this page. These committees are essential to the execution and success of the band program. Please indicate on the Family Questionnaire at the back of this book in which way you would like to help.

Meetings are held at various times, as indicated on the calendar in the Bandroom at 7:00 P.M. These meetings offer parents information, and an opportunity to have input into the various ways the organization makes money for expenses.

Officers for the WCABPA are elected yearly by the band parents. Elections are held during the May meeting. Terms begin in June to prepare the upcoming year. Overlap period is used to allow a smooth transition from year to year.

Committees:

Equipment Support

- Performance support
- Bandroom maintenance
- Marching Band Inventory
- Concert Band Inventory
- Colorguard flags (sewing, etc.)

Publicity

- Video / Photos
