Because the Warner Christian Band Organization wants the best opportunities possible for children, the active participation of the parents is required to achieve this. Please find, below, a committee on which you can serve. If there is not a committee on the list that fits your interests, please indicate other possible committees or areas of interest you may prefer. Also, you will see a sample listing of possible Ways and Means Projects for the coming year. Please indicate projects on which you would be willing to work.

Please bear in mind that the organization, and therefore the band, can not function without the support of every family. You will gain much from the experiences you will share with your child and from the relationships that you will form with other parents who share the goal of providing a positive high school experience for all our children.
