INTERNATIONAL STUDENT - FINANCIAL INFORMATION 2026-2027 ACADEMIC YEAR

College Prep, Honors, and Dual Enrollment Programs	New Student Application Fee	Annual Enrollment Fee	Annual Tuition
Grades 7-12	\$250	\$1,000	\$11,800

New Student Application Fee: This is a \$250 **non-refundable fee** that is required for all new students and pays for processing a 7-12th grade student's application.

Annual Enrollment Fee: This is a \$1,000 annual fee and is **non-refundable**. This places international students on the school roster, thereby reserving their spot. Upon receipt of this non-refundable fee, WCA will then issue the I-20.

Annual Curriculum Fee: The curriculum fee is due in full upon acceptance and is based on the students' class schedule and books required for those classes. This fee will not exceed \$650 and books will be the property of the student.

Student Uniforms: All students are required to wear Warner Christian Academy (WCA) uniforms throughout the academic year. WCA has partnered with French Toast to provide uniform items that include the school logo. The estimated cost for a full week's supply of uniforms, including cold weather and rain outerwear, should not exceed \$800 USD. For international students, the responsibility for purchasing the required uniform items rests with the host family. This expense is not included in the international tuition and must be arranged separately prior to or upon arrival.

Annual Tuition & Fees: Tuition and fees are due in full upon acceptance. Due to the extreme financial commitment involved in educating an international student all tuition and fees are **non-refundable**.

Payments: We have partnered with MTFX (*PayMyTuition*) to provide a convenient way for international families to make payments. This service allows you to pay in your home currency with competitive exchange rates offering many options including bank transfer, credit card and more.

Additional Expenses: There are other costs that may be incurred for optional trips, additional uniforms, medical costs above and beyond the insurance policy's coverage, personal care items, etc.

Withdrawals: Students are not withdrawn until written notice is received by the Student Finance Office.
