Warner Christian Academy (WCA) is a voluntary member of the Florida High School Athletic Association (FHSAA) and the Sunshine State Athletic Association. In accordance with FHSAA policy, all international students who desire to participate in school athletics must have a waiver submitted for approval. The WCA Athletic Director will submit the names of eligible international students each athletic season. Once a decision is made by the FHSAA, the student will be notified.

Participation in athletics at WCA is a privilege, not a right. All students, both domestic and international, must maintain academic performance in accordance with the FHSAA guidelines, WCA's Athletic Eligibility Policy, and the standards found in the WCA Parent/Student Handbook and Athletic Handbook. A student who fails to meet these academic standards may be deemed ineligible to participate in athletic programs. Athletic eligibility or participation is not guaranteed.

All international students attending WCA must read, initial, and sign the declarations below:

Initial each statement:

\_\_\_\_\_ I understand that I must receive an official decision from the FHSAA regarding my eligibility before I may practice with or compete on a WCA athletic team.

\_\_\_\_\_ I have been accepted to Warner Christian Academy based on my academic qualifications, not athletic ability.

I, \_\_\_\_\_ (Student's Name), understand the information above and acknowledge that athletic eligibility or participation is not guaranteed.
